---

## RECENT PROJECTS

**Lobster Boy**, Film

*2010*

Writer, Co-Director, Co-Producer; 3 episode comedy web series about a young man with lobster claws for hands looking for love and learning that his "disability" may in fact be his greatest asset.

**Chick Magnet**, Film

*2009*

Writer, Director and Producer; 20-minute comedy film about a young man who comes into possession of a magical tube of Chapstick that makes women fall in love with him, inadvertently preventing him from obtaining the girl he desires. Viewable at <http://www.youtube.com/watch?v=86in60ykOb0>

**Magnus Menthu**, Graphic Novel

*2009*

Writer and Illustrator; 60-page action/adventure comic done through a Surdna Undergraduate Research fellowship under the mentorship of writer Anthony Walton. In it, a former mercenary is unwittingly hired to transport the final piece of a doomsday device, and begins to discover that he and his enemies may be the modern incarnations of pre-Christian gods. PDF download at <http://www.megaupload.com/?d=8MZBEWK0>

**Lights Out**, Animation

*2008*

Co-writer, concept and story artist for this award-winning, two-minute computer animated short. A man's neighbor's noisy television set keeps him from sleeping because of his sound-activated light switch. Viewable at <http://www.youtube.com/watch?v=Gk0brY9Uq3I>

**Bowdoin Fencing**

*2006-2009*

Founded, coached, managed and competed on a national level team

---
